

Standing Order Payment Details

Standing Orders are easier and more efficient for Weymouth FC Supporters Association (WFCSA) to administer. We would urge all lottery subscribers to arrange their payments by Standing Order. This means, unless you decide to cancel your membership it will automatically renew each year, without the need of having to submit another membership form.

If you wish to pay by standing order, please complete the mandate below, and submit it to your bank (please return the completed entry form to us).
